## **\*\*Direct To Site Special Price Deliveries**

To help keep prices competitive we look to supply several natural stone products in full packs direct to site from Stonemarket. These deliveries may be done by a courier service who will deliver using a manual pallet truck service and look to deliver the product to kerbside only.

If your site has access issues or delivery challenges please speak to our office staff to see if we can help you enjoy a competitive price with an enhanced delivery service.

If you live close to our depots and you need scalpings, sand, cement and a few extra slabs to go with your full packs speak to our staff and we will look to co-ordinate the arrival of materials
